STUDENT ATTENDANCE POLICY

The Ministry of Education states that attendance in classes is mandatory and that a student is excused from school only by reason of sickness or other unavoidable causes. St. John's College actively encourages and promotes regular attendance. Education research has consistently shown that a student's progress and academic success are closely connected to regular attendance and participation in the day-to-day activities.

GENERAL INFORMATION:

- **Studies begin at 8:55 a.m. with Period 1. Lateness will not be tolerated.**
- Absences must be reported by the parent or guardian or students 18 years of age.
- In a situation where a student does not provide a note, the home will be contacted before the student will be permitted to resume classes.
- An automated phone message will be sent to the home to advise the parent/guardian of an unexpected absence.
- Absences for such things as haircuts, concerts, early vacations, studying or part-time jobs are NOT considered unavoidable and, therefore are NOT excused.

Although trips and vacations may provide diverse learning experiences, the school cannot support, academically, travel (for non-academic reasons), or vacations during class time. The content covered in each course is important and requires daily attendance. While parents may choose to travel during the school year, the time missed from class is recorded as an absence and counted in the total absence record for the semester. A significant number of absences places a student's mark and credit in jeopardy due to the loss of instructional time. Also, assessment and evaluation become problematic.

At 5 absences - in any subject, the subject teacher will contact the parent/guardian to inform them of the attendance profile.

At 10 absences - in any subject, the vice-principal will contact the parent/guardian to indicate that the credit may be in jeopardy.

At 15 absences - in any subject, the administration will arrange a team meeting with parent/guardian and make a referral to the Attendance Counsellor.

Consequences for truancy may include:

- **detention**
- **written assignment/plan**
- **suspension**

A parent meeting will be arranged to discuss further consequences and supports for students who are persistently absent.

STUDENT ABSENCES

1. Parents are to inform the school of an intended absence **prior to 8:45 a.m.** by exercising one of two options:
 - **Phone:** 519-759-2318 ext. 221 (this line is available 24 hours a day).
 - **A Note:** must be provided to attendance office on student's return should the parent not phone in for the absence.
Students who are 18 years are legally responsible for themselves and are held accountable for their absences which will be recorded as "**Truant**". Unless a call is made prior to the absence by the student and/or parent/guardian (if applicable) for those who have signed permission for the Release of Information, it will be recorded accordingly.

Please Note: Until the absence has been parent approved, the student will be recorded as "Truant". **Excessive trancies will result in a conference with the Administration. Monthly attendance letters will be sent home to students with excessive absences/lates.**

SIGNING OUT DURING THE DAY: (for illness or appointments only)

1. Provide a notice in writing or by phone to the attendance office before 8:45am.
2. Students must record their name on the "Sign-Out Sheet" in the Attendance Office **prior** to leaving the building.
3. Students must be off school property **IMMEDIATELY** after sign out time.

Please Note: absences not handled in this manner will be recorded as TRUANT.

SIGNING IN LATE DURING THE DAY: (for illness or appointments only)

1. Provide the notice in writing or by phone to the Attendance Office.
2. Students must record their name on the "Sign-In Sheet" in the Attendance Office **immediately** upon arrival. An admit slip will be issued in each case.

Note: Students forging letters or impersonating a parent/guardian will be dealt with by administration and possible police involvement. Discipline and consequences will be up to the discretion of administration.

STUDENT LATES

Late-to-class is defined when the student does not arrive on time and prepared for class. Seven (7) lates will result in administrative discipline including suspension.

STUDENT LATES:

Students who arrive **more than 20 minutes late** to school due to an early morning appointment, etc. must come to the Attendance Office, with a note from a parent/guardian, in order to obtain an admit-to-class slip.
