Dear Parent / Guardian of a Grade 9 Student:

Semester one is quickly coming to an end and there is still a great deal of work to finish. Completing culminating activities and preparing for final exams, in most courses, requires a lot of organization and preparation. To assist your son/daughter to prepare for their first set of exams we have planned an after-school "exam workshop" for Grade 9 students in the Library.

Your son/daughter is invited to an after-school workshop on study skills and exam preparation. The workshop will be on Thursday December 13, 2018 from 3:15 – 5:00 pm. Snacks will be provided by the school. Peer mentors from the Leadership classes will also be asked to attend the workshop to assist in helping your child work through some of the exam preparation information and organizing binders in preparation for exam.

Please complete the bottom portion of this letter giving your child permission to attend the workshop and have them return it to me by December 6, 2018. If you have any questions, please do not hesitate to contact me for further information.

Sincerely

Mrs. Laurie Camilleri
