

GUATEMALA ENCOUNTER 2019

On January 25, 2019 staff and students from the Brant Haldimand Norfolk Catholic District School Board will be travelling to Guatemala. They will be spending ten days encountering the local people and culture through volunteer service projects taking place in a small village. Most of the time they will spend their time building relationships with young children and their families through development projects that will benefit the local community. They will also be learning about some of the root causes of poverty in the Global South. The SJC team consists of, from left to right: Mr. Marty Quinlan, Lucas, Jess, Tristan, Nicolle, and Rob.
