## *Pre-Advanced Placement Application*

The **PRE-Advanced Placement** program offered at St. John's College has been designed to provide students with an opportunity to learn at the enriched level. For students in the program in Grades 9, courses are designed to help prepare students for the AP courses which can be taken in Grade 12 and to provide students with an enriched and unique learning environment.

### **PRE-AP**

- Students who are high achievers (average above 80%) in academic math and/or academic science can enroll in Pre-AP courses starting in grade 9
- Pre-AP students should enjoy discussion, possess a natural curiosity, and enjoy independent research
- Pre-AP courses are highly recommended, but not required, to take an AP course
- Pre-AP courses will be more focused on inquiry skills, critical thinking, and higher order thinking strategies than the Academic program

### **STEM (Science, Technology, Engineering and Mathematics) Club**

- Students pursue their love of innovation, technology, science and mathematics
- Challenges students to develop critical thinking and inquiry skills in preparation for university
- Includes guest speakers, science and mathematics contests, STEM Olympics, thought-provoking articles and field trips

Please select the **PRE-AP** course(s) you are applying for:
