

*"I just want to start college, but I haven't finished all of my high school credits. Can SWAC help me?"*

## DO YOU KNOW **SWAC** ?

**Earn college and high school credits at the same time.**

*Conestoga College, Brantford • Fanshawe College, Simcoe • Mohawk College, Oshweken*

- Are you 17 - 20 years?
- Do you already have 22 or more credits?
- Is the traditional high school setting not right for you?
- Do you want to fast forward to a College program and start your career?

**If you answered yes to any of these questions, you need to know **SWAC**!**

### Who can apply?

To apply to a SWAC program, you must be registered at a secondary school of the Brant Haldimand Norfolk Catholic District School Board or the Grand Erie District School Board. Out of school, but still need credits? Go to or call your home high school to register.

### Three Easy Steps

- 1 Talk to a guidance counsellor to see if SWAC is right for you.
- 2 Complete an application form with help from your guidance counsellor.
- 3 Attend an intake interview with a college professor and teacher to review your plans.

### SWAC Transportation!

Bus connections may be available within Haldimand and Norfolk to Fanshawe College or within Brant to Conestoga College in Brantford. Other options such as bus passes may also be available. Please check with guidance counsellors.

## HOW DO MY OPTIONS WORK?

SWAC Programs are delivered full-time at Fanshawe, Simcoe; Mohawk, Ohsweken; and Conestoga, Brantford.

Each college credit component successfully completed also generates one secondary credit towards your OSSD.

You have the opportunity to earn more secondary credits if you need them.

Half of your time is dedicated to the college component; the other half is your secondary component.
