

BRANT ANIMAL AID FOUNDATION

Alberta Inglis Scholarship Award

In 1999 the Brant Animal Aid Foundation established a \$1000 scholarship in memory of Alberta Inglis. Alberta Inglis was the first female to be named Principal with the Brant County Board of Education and as a veteran of the Second World War, she achieved the rank of Captain when she served overseas in the Women's Army Corps. Alberta Inglis championed and advocated for the rights of animals and spent a lifetime dedicated to their health, care and well-being. The Alberta Inglis Scholarship is an award opportunity for students pursuing post-secondary studies in Animal Health Care programs. All students who have been accepted to or are enrolled in a post-secondary program at a college or university that is related to the study of animal health care are invited to apply for the Alberta Inglis Scholarship Award.

Criteria for the Award

- The award is based on the candidate's academic performance and need for financial assistance.
- Applicants must be accepted into a recognized course at a university or college that is directly related to the field of animal health care.
- Applicants must have completed their secondary education within Brantford or Brant County.
- The award is for a one-year period. Previous applicants may apply.
- The annual award is \$1000. The award may or may not be awarded every year and could be awarded to one or more students.

Application Process

Applications may be completed and submitted online at **brantanimalaid.com** or emailed to **bonnieblunt70@gmail.com**. Deadline for submitting applications is **July 15**.
